Theme It Out

Get Your Theme On and Work It!

Having a theme isn't just for kids. Adult party themes make everyone feel young at heart and immersed in the atmosphere. And no one creates themed environments like Big City Catering.

Theme parties are a blast because the entertainment is all in the theme! Think Mardi Gras, Casino Nights, A Day at the Fair, or an English Tea Party...all you have to do is envision it and Big City takes care of the rest!

From TV Shows to Holidays, Sporting Events to themes from other cultures, we can help you enjoy continuity from the cuisine to the entertainment, music, and décor.

And what cuisine! Big City's culinary expertise creates a custom food & cocktail menu to accent your theme. Whatever you imagine... a Frank Sinatra impersonator, Steel Drum music from the islands, or a never-ending supply of fresh Cotton Candy...we can make it happen.

Big City Catering can execute your theme to a "T".
